

# LAND LEVELER

## FEATURES:

- Land Plane connects easily to any skid steer or compact tractor loader with the universal mount plate
- Designed to sift dirt and remove large debris and rocks, this landscaping preparation attachment is ideal for various applications
- Smooth out lots, roads and trails, or prepare running tracks and ball fields with one attachment
- The Land Leveler is capable of several tasks from aggressive cutting to fine finish work.
- Optional hydraulic scarifier will allow you to loosen hard ground while grading
- Replaceable bolt on cutting edge
- Heavy duty construction
- Durable black paint finish
