

PIPE GRAPPLE

NEW PRODUCT

FEATURES:

- Fits most late model skid steers
- Ideal for safe fast pipe and material handling
- Capable of handling pipe from 2" to 24" diameter
- The scissor action grapple allows tines to manually adjust to handle an array of pipe sizes
- Wide carriage adds extra load stability
- Grapple opens up out of the way so unit can be utilized as a conventional pallet fork.
- 3/16" plate brick back mast for great visibility
- Top and bottom of pallet fork tines are secured by rails
- Tines are easily moved and secured in place with quick latch system
- Tines can be removed
- Heavy duty construction
- Laser cut components ensure superior quality
- Durable paint finish

SPECIFICATIONS:
