

SCARIFIER RAKE

FEATURES:

- Scarifier Rake connects easily to any skid steer or compact tractor loader with the universal mount plate
- The Scarifier Rake has the ability to go from an unfinished to a finished seed bed with one easy-to-use attachment
- There are no moving parts or hydraulic hook ups to slow you down - just hook up and go!
- The Scarifier can loosen hard soil, remove scrub and small vegetation, prepare soil to grade and even rake rocks away
- This unit works in either forward or reverse, and is available in two sizes a 72" (1828mm) and a 84" (2133mm)
- Heavy duty construction
- Durable black paint finish

SPECIFICATIONS:

Part #	Model #	Width	Length	Height	Weight
