

HYDRAULIC BREAKER

FEATURES:

- Built for skid steers and loaders with the universal mount
- Our Hydraulic Breaker are a great solution for all your concrete breaking needs
- The Hydraulic Breaker is available in several models and can break concrete up to 14" thick
- The Breakers have only two moving parts for reduced wear and maintenance
- The units are outfitted with polymer shock absorbers to reduce machine wear and increase operator comfort
- Unit has a low recoil and minimal hydraulic pressure spikes
- Only one grease fitting
- Units have adjustable blow speed to improve efficiency
- Replaceable tool bushings for longer life
- Gas charged to maximize efficiency
- Can be equipped for underwater use
- Heavy duty construction
- Durable charcoal paint finish

200 Series -
Designed for
Concrete up
to 4" thick

300 Series -
Designed for
concrete up
to 8" thick

350 Series -
Designed for
concrete up
to 14" thick

SPECIFICATIONS:

Part #	Model #	Weight Class	Overall Length	Setting Pressure	Working Pressure	Oil Flow	Blow Rate	Chisel Weight	Suitable Machine	Operating Weight
