

Features:

- Fits skid steers and loaders with a universal mount
- Heavy duty planetary drive unit with a 2" Hexagon Output Shaft
- Unit comes complete with mount plate, cradle, knuckle and drive unit
- The planetary drive is completely sealed, with all the moving parts operating in oil for great lubrication.
- All gear design extends the unit's life and reduces maintenance and downtime
- Reverse Rotation allows for cleaning of debris and quickly backing out of the hole
- Swivelling auger head is self-plumbing for straight holes on uneven terrain
- 1 Year Warranty - Manufacturer's Defect
- Heavy duty construction and Powder coat finish
