

## Features:

- Connects quickly to any skid steer or loader with a universal mount or a 3-Pt Hitch.
- Simple and efficient to operate
- Easy to maintain. Contains no moving parts, hoses or rams
- Adjustable skid shoes allow cutting height to be set to preference and allow for wear
- Blades can be lowered on the mould board to extend life after wear
- Uses standard grader blades for ease of replacement
- Available in 5', 6' and 7' widths with straight or angled blades
- Ideal for skid steers with 30+ horsepower
- Skid shoes are reversible, replaceable and made of hardened steel
- Leaves no windrows
- Manoeuvrable in confined spaces
- Gridlock manufacturing techniques provide greater strength with less overall weight
- 1 Year Warranty - Manufacturer's Defect
- Heavy duty construction and Powder coat finish

***Adjustable & Replaceable  
Skid Shoes***
