

Features:

- For use with any skid steer, tractor or loader with a universal skid steer mount
- The Extension Push Bar is an excellent solution for pushing material into confined spaces like under decks
- Overall length can be adjusted between 72" to 103"
- Sloped mount design allows for easy hook up to the skid steer and provides greater visibility
- Blade is 8" high x 36" wide and is constructed using 3/8" plate
- Heavy Duty 4" x 4" outer tube and 3.5" x 3.5" inner tube
- Blade position is adjusted manually with a retainer pin
- 1 Year Warranty - Manufacturer's Defect
- Heavy duty construction and Powder coat finish

***Shown Extended
to 103" Length***
