

Features:

- For use with any skid steer, tractor or loader with a universal skid steer mount
- The IS-24 is an excellent tool for the removal of hard-packed snow and ice from driveways, parking lots and bike paths
- The versatile tool is also excellent for the removal of ceramic tile, laminate flooring or glued carpet
- The Ice Scraper is built to stand up to the demands of commercial customers. Laser cut 3/8" plate, main pivot pin gussets. Heavy main frame made from 4" x 6" steel tube
- The scraper blade is 24" diameter x 5/16" thick
- Blade is mounted using 2" tube and a 1" x 12" bolt, making it easily replaceable
- 1 Year Warranty - Manufacturer's Defect
- Heavy duty construction and Powder coat finish
