

Features:

- For use with any skid steer, tractor or loader with a universal skid steer mount
- The Stump Removal Bucket is an excellent solution for digging out stumps, roots and rocks
- The **Heal-Boom Design** allows the operator to use a massive amount of leverage to pry out stubborn objects by wedging the tip of the bucket under the stump and then pushing down on the loader arms
- Side plates are laser cut from 1/2" plate and have a **shark-tooth pattern** cut into them to increase holding and cutting power
- The SRB-1200 can also be used as a trenching tooling
- Bucket is 12" wide at the tip and features 3 pin on, replaceable teeth
- 1 Year Warranty - Manufacturer's Defect
- Heavy duty construction and Powder coat finish
